Erosion Control and Hydromulch products are priced FOB La Crosse/Madison/Sioux Falls/Ankeny Warehouse

Shipping and handling charge per pallet (La Crosse Truck or 3rd Party Carrier)
Note: Additional freight charges may apply to these products due to their bulky nature.

Shipping charges for any Erosion Control and/or Hydromulch order will be assessed and applied on a per pallet basis.
Shipments containing only Erosion Control and/or Hydromulch products will follow the above schedule.
Erosion Control and/or Hydromulch only orders of 5 or more pallets receive $20/pallet discount off of the pallet freight charges. Please call for truckload quantity or shipments outside of our standard service area.
Mixed product orders (containing Erosion Control and/or Hydromulch and other product types) will also be assessed on a pallet basis.
- If the value of the pallet exceeds $1,000, it ships free.
- If the value is less than $1,000, the standard shipping & handling charges above apply.

Mixed products orders with a total order value greater than $5,000 ship free.
