Earth Carpet®

THE SCIENCE IS IN THE SEED®

Stand Out.
In A Good Way.
Landscapes get noticed.
We'll help you stand out for the right reasons.

Stand Out. In a Good Way.

As a turf leader for 100 years, we know how to transform a lawn. Our quality mixes are known to produce beautiful lawns that you'll take pride in and create curb appeal that adds value.

Sweat Less. Spend Less.

Our seed not only delivers consistent results, but also saves money and time. Quality seed means less cost and labor on water, fertilizer, pest control and excessive mowing. Higher quality turf with less work. Guaranteed.

The Science is in the Seed

Growing lush, green turf with the "wrong" seed is like growing an apple tree from pumpkin seed - no amount of effort will give you the desired result. At Earth Carpet® we cultivate the right seeds for the right conditions.

Seed for Any Need

Whatever your project, conditions or budget, Earth Carpet® has you covered. Our versatile portfolio offers a variety of proven products, from economy to elite options, to fit each unique goal.
