- Performs well on light to heavy soil types in light shade to full sun

Food source for upland game birds as fall and winter feed.

## [CLICK HERE FOR TECH SHEET](#)

Brier Ridge Wildlife Sunflower food plot seed is a special attractant to upland game birds as fall and winter feed. Wildlife Sunflower is preferred by dove, quail, turkey, pheasant and other species of upland game birds. Wildlife Sunflower is a very drought tolerant crop. It is a very reliable source of fall and winter feed because of the tolerance to limited and sporadic supplies of available moisture.

## **CHARACTERISTICS:**

Life Cycle: Annual  
Bag Size 50 lbs

## **SEEDING:**
