60% LC6040 Forage Peas
40% Top Ton Spring Barley

SiloBuster Plus Pea & Barley mix offers an elite combination of quality forage peas (60% LC6040) and forage barley (40% Top Ton), ideal as nurse crop or straight forage. SiloBuster mixes can be planted in early spring to serve as a nurse crop or early fall to fulfill forage needs.

CHARACTERISTICS:

- **Seed Quality:** LC 6040 peas have a tougher seed coat
